WORK EXPERIENCE

AgilePrep / Freelancing

[from 2021 to 2023]

I worked as a frontend engineer developing the landing page and some other pages for AgilePrep.

Rock Bottom Initiative / Freelancing

[from 2023 to 2024]

I am responsible for developing a sickle cell web application.

I design the website's user interface based on Figma design and ensure it is user-friendly.

To keep up with the latest trends, I research and incorporate the newest software and tools into the web application.

SOFTWARES

Visual studio code.
Figma.
